Subject: Re: COMMENT - Suggested Agenda for 4/27 mtg 10 am re Hunters Pt & Rad

Maybe it's in next steps, but do we want to list Communication Strategy? Or even EPA Strategy?? Although that sounds sort of sinister. What I mean is that we may have our own internal follow up to do independent of the parties listed. Or that could feed into how we follow up with multiple parties listed, and those not listed like City, developer, congressionals. I may not be making sense to you.
